PVC

PROLINE GOLD

Product description

Use Agera Tools "Proline GOLD" sanding delta's for machine sanding. Proline GOLD is a high quality abrasive paper to use on putties, primers, paints, plastics and synthetic materials. Our durable "Proline GOLD" abrasives has a fast cutting aluminium oxide resin coating with an anti-clogging additive, bonded to a C-weight latex paper backing. This backing offers excellent resistance, while the mineral helps to extend the product life and provide a lasting cutting action.
