

## NON-WOVEN PADS 115x280MM

### Applications

Wood

Metal

Paint

# PROLINE GOLD

### Product description

Proline GOLD Non-woven Pads are perfect for cleaning, polishing, and refinishing. They're durable, washable, and won't shed the way steel wool does, and they will never rust. Re-usable Proline GOLD pads can be used from scuff-sanding between finish coats to cleaning and polishing metal parts.
