

SANDING SHEET 80x133MM

Applications

PROLINEGOLD

Product description

Use Agera Tools Proline Gold sanding sheet for machine sanding. Proline Gold is a high quality abrasive paper to use on putties, primers, paints, plastics and synthetic materials. Our durable Proline Gold abrasives has a fast cutting aluminium oxide resin coating with an anti-clogging additive, bonded to a C-weight latex paper backing. This backing offers excellent resistance, while the mineral helps to extend the product life and provide a lasting cutting action.

Product information - Category: wood, metal, pvc and paint.
